Garage Sale

The PID 6 wide Garage Sale will be Friday 22 April and Saturday 23 April.

To participate in the Garage Sale, you will need to register your sale with the City so fill out the Garage Sale

Application Form to get a free permit (<http://www.fortworthgov.org/permitfees/>).

Or, you can call 817.392.2222 and give them your address.

PID 6 community garage sales are held twice per year (Spring and Fall). They are not held in

one location, but are conducted at each participating home in PID 6. Prior to each garage sale, there are

advertisements in the Star-Telegram announcing the event. Directional signs can be posted throughout the neighborhood by the PID 6 residents the night before the sale. So, start prepping all that stuff you don't need anymore and make a buck or two!
